

## **How to select membrane keyboard for Siemens 6AV3607-1JC20-0AX1 OP7/DP with good quality?**

There are more and more *membrane keyboard for Siemens*

**6AV3607-1JC20-0AX1 OP7/DP** in the market, some quality good and other just so so, therefore, how to select a good quality membrane keyboard for Siemens 6AV3607-1JC20-0AX1 OP7/DP is becoming more and more important.

First, the good quality **membrane keyboard for Siemens**

**6AV3607-1JC20-0AX1 OP7/DP** must with correct dimensions, this is very important, if the dimensions wrong, will bring so much trouble during replacement.

Second, the good quality **membrane keyboard for Siemens**

**6AV3607-1JC20-0AX1 OP7/DP** should be covered with 3M adhesive tape in the back which would make sure the keyboard connected with the plastic cover strong enough.

Third, the good quality **membrane keyboard for Siemens**

**6AV3607-1JC20-0AX1 OP7/DP** must be tested 100% in good condition before shipment, make sure each button working well.

Last but no end, the good quality **membrane keyboard for siemens 6AV3607-1JC20-0AX1 OP7/DP** must provide at least 6 months warranty after sold, cause the end user have to wait some time to get the keyboard, if the seller only provide 30-60 days warranty, once faulty happened, the buyer would lost money.

[Vicpas](#) is the leading **membrane keyboard suppliers**, all of the *membrane keyboard switch keypad* are produced 1:1 with original, don't worry about dimensions, perfect replacement. meanwhile, all the membrane keyboard we provided are covered with 3M adhesive tape, very strong and tough when install, what's more, we test each membrane keyboard before shipment, make sure all of them are in excellent condition, finally, we provide up to 6 months (90 days) warranty for customers, if there has any problem, we will send the new one for replacement, save cost and time for customers.
